

This Natural Gas Sales Agreement ("Agreement") is entered into between Nordic Energy Services, L.L.C. ("Nordic") and Customer, as identified below ("Customer") and shall apply to the accounts identified below. Nordic and Customer may be individually referred to as "Party" or collectively referred to as "Parties." The Parties agree to the following:

Initial Term: This contract will begin with the next available billing cycle after the Start Date and continue for two (2) years ("Initial Term") with an automatic renewal thereafter to month-to-month terms. Customer may discontinue service with notice to Nordic at any time without penalty after the first _____ months of the Initial Term.

Price: The price shall be a fixed rate of \$ _____ for the first _____ months of the Initial Term. Following the first _____ months, the price shall be a variable rate equal to the cost to Nordic for delivering the gas to your delivery point, plus \$0.15 per therm. Customer acknowledges that pricing applies only to the price of natural gas, and Customer shall still be responsible for other charges from the local distribution company ("LDC") associated with gas delivery, including but not limited to applicable taxes and utility distribution charges.

Fees: Should Customer discontinue service prior to the end of the _____ month period, an early termination fee equal to the sum of costs incurred by Nordic in liquidating any financial hedging positions and the anticipated margin between such positions or the market and the Price, except that such early termination fees for customers with annual usage of less than 5,000 therms shall be capped at \$50.00. Late payments shall be charged 1.5% interest per month on the outstanding balance, or the maximum lawful rate, whichever is lower.

Quantity: Customer will be charged for the amount of gas actually used, as reported by your LDC, plus any fuel losses.

Rescission/Cancellation: Customers with less than 5,000 therms of annual usage may rescind enrollment within 10 business days from the date the LDC notifies you of the switch in suppliers. Customers with less than 5,000 therms of annual usage may also cancel this contract up to 10 days from receiving the first bill, though payment for services already rendered shall still be due. Customers with more than 5,000 therms of annual usage may rescind enrollment within 3 business days from the date the LDC notifies you of the switch in suppliers.

Default: An Event of Default, as used herein, shall mean: (1) the failure of Customer to make, when due, any payment due hereunder; (2) Customer's failure to perform or comply with any term of this agreement; (3) Customer makes an assignment or any general arrangement for the benefit of creditors; (4) Customer files a petition or otherwise commences, authorizes, or acquiesces to the commencement of a proceeding or cause of action with respect to it under any bankruptcy proceeding or similar laws for the protection of creditors, or has such petition filed against it; or (5) Customer otherwise becomes insolvent or is unable to pay its debts as they come due. Nordic reserves the right, in its sole discretion, to terminate this Agreement at any time, without prior notice, if an Event of Default occurs.

Market Structure: In the event of any changes to any tariffs, rules, ordinances, statutes, laws, regulations, premiums, changes in methods of calculations, or procedures of Customer's Local Distribution Company ("LDC"), including changes to the Choices For You Program, where applicable, or of the pipelines used by Nordic and/or Nordic's supplier(s) to deliver natural gas, that increase Nordic's cost of providing service hereunder, then Nordic may pass through such cost increase to Customer. If Nordic incurs costs above the relevant price index at the Customer's delivery point, Nordic reserves the right to pass through such costs. If Nordic determines, in its sole discretion, that such changes prevent Nordic from effectively or economically performing under this agreement, then Nordic may terminate this agreement upon 30 days' written notice.

Billing and Payment: Should Customer have any questions or concerns regarding their bill Customer may call our Customer Care Center any time 1-877-808-1022. Customers may also reach their utility at 1-888-642-6748 for Nicor, 1-866-556-6001 for People's, or 1-866-556-6004 for North Shore. If you are a Choices For You participant, LDC will send you a single bill covering both LDC's distribution and service charges as well as Nordic's commodity charges. Customer's billing shall include storage activity throughout the year where applicable.

Force Majeure: Nordic shall not be liable for service interruptions or price changes caused by a force majeure event, which may include without limitation catastrophic and extreme weather events, acts of God, acts of governmental authorities, accidents, strikes, or labor disputes.
