

Are you pricing for the first time or need a refresh on our procedure?

Well, look no further. We are excited to share our Electric and Natural Gas Supplier Market Cheat Sheet with you and a refresher on the Navigate Power custom pricing procedure.

Custom Pricing Procedure

What is custom pricing?

Custom pricing is specific to any electric deal over *1,000,000* kWh annually and for any natural gas deal over *60,000* therms annually.

To request custom pricing please follow the steps below:

1. Gather bills, LOA, and LOE from the client.
2. Fill out Custom Price Request Form ([excel](#) or [PDF](#)).
3. Send the Custom Price Request Form to pricing@navigatepower.com and include:

- Client Bills
- LOA
- LOE

**Please allow 3–7 business days for custom pricing to be returned.
