CUSTOMER DISCLOSURE STATEMENT

By signing the Agreement(s), I am entering into an Agreement for SFE to supply my Natural Gas and/or Electricity. The Natural Gas and/or Electricity is for a price ("Price") per therm/kWh as described above and excludes applicable taxes and utility charges. SFE sets the prices ("Price") that the Applicants pay for Natural Gas supply and/or Electricity service (see Terms and Conditions for further details). The Applicant will receive one bill from the Applicant's Local Distribution Company ("LDC") and/or Electric Distribution Company ("EDU") for distribution charges and Natural Gas supply charges or Electricity supply charges. The Applicant will buy their Natural Gas and/or Electricity for the above service address and/or the service address(es) as outlined in the Schedule A from SFE beginning on a date set by the Applicant's utility ("Utility") and will continue for the term selected above ("Term"). SFE may renew, including automatic renewals, one or both of the Agreement(s) at the end of the Term. Please refer to Section nine (9) of the Terms and Conditions for details. If the Applicant early terminates the Fixed Price Agreement(s), exit fees of \$0.18 per therm for the estimated usage of Natural Gas and/or \$0.015 per kWh for the estimated usage of the Electricity for the remainder of the Agreement shall apply. SFE is an independent seller of Natural Gas and/or Electricity certified by the Illinois Commerce Commission ("ICC") and is NOT REPRESENTING, endorsed by, or acting on behalf of, the local utility or any utility program, a consumer group or consumer group program, or any governmental body. If You entered into an Electricity Agreement, You will receive written notification from the EDU confirming a switch of Your Electricity supplier. The Applicant further understands that the Sales Representative is representing SFE and is not from the utility. The Applicant understands that by choosing SFE as their Natural Gas and/or Electricity supplier, the utility will continue to deliver the Applicant's Natural Gas and/or Electricity, read the Applicant's meter, bill the Applicant, and respond to any emergencies. To: SFE and the NGU and/or EDU collectively the "Utility", for the service address ("Service Address") on the Natural Gas and/or Electricity supply Agreement(s). For purposes of the Agreement(s), The Applicant will be deemed a large commercial retail customer if: (1) the Applicant is a commercial customer that consumes more than 15,000 kWh of Electricity in any calendar year after becoming a customer of SFE; and/or (2) the Applicant is a commercial customer that consumes more than 5,000 therms of Natural Gas in any calendar year after becoming a customer of SFE. In determining whether the Applicant is a large commercial customer, usage by the Applicant shall be aggregated to include usage at the same premises, even if measured by more than one meter, and to include usage at multiple premises ("Large Commercial Customer").

TERMS AND CONDITIONS

1. Agency. The Applicant hereby appoints SFE as agent for the purposes of acquiring the supplies necessary to meet the Applicant's Natural Gas and/or Electricity supply needs, and arranging, contracting for and administering transportation and transmission facilities and related services over transportation/transmission facilities and those facilities of the utility needed to deliver Natural Gas and/or Electricity to the Applicant's Service Address. The Agreement(s) is/are for the sale and purchase of Natural Gas and/or Electricity and is/are between SFE and the Applicant under which the Applicant shall initiate Natural Gas and/or Electricity supply and begin enrollment with SFE (the "Agreement(s)"). Subject to the Terms and Conditions of the Agreement(s), SFE agrees to sell and deliver, and the Applicant agrees to purchase and accept, the quantity of Natural Gas and/or Electricity, as estimated by SFE, necessary to meet the requirements based upon consumption data obtained by SFE or the delivery schedule of the Applicant's Utility. The amount of Natural Gas and/or Electricity delivered under the Agreement(s) is/are subject to change based upon data reflecting the Applicant's consumption obtained by SFE or the utility delivery schedule. SFE reserves the right to cancel the Agreement(s) if it is determined that the Applicant is not a large commercial customer.

2. Length of Agreement(s). The Applicant acknowledges that the commencement of the Agreement(s) begins on the date on which the Applicant has signed the Agreement(s) ("Start Date") and SFE has determined that the Applicant's credit standing is satisfactory (see Section 8). The Applicant also acknowledges that the service under the Agreement(s) depends upon the date on which the Applicant's Utility completes all applicable switching and enrollment processes ("Supply Date") and shall begin with the next available meter reading after processing of the request by the Utility and SFE. If a specific Supply Date is requested on the first page of this Agreement, SFE will use reasonable commercial efforts to begin supply on or near the date requested. If no Supply Date is requested, SFE shall use reasonable commercial efforts to attempt to flow on the next available date. The Applicant further acknowledges that the timing for the Utility's completion of the switching and enrollment processes is beyond SFE's control, and SFE makes no warranties as to the Applicant's Supply Date. The end date of the Agreement(s) is/are the meter reading date after the entire Term of the Agreement(s) ("End Date") (as selected by the Applicant on the first page of the Agreement(s)) from the Supply Date, plus any time required to obtain a final meter read. The Term of the Applicant's Agreement(s) is/are the period from the Supply Date to the End Date.

3. Natural Gas and/or Electricity Billing: The Applicant acknowledges that their Utility will bill them for the Natural Gas and/or Electricity delivered to the Service Address(es) and for certain distribution access charges, and any other fees, charges or taxes relating to the delivery of Natural Gas and/or Electricity delivered to the Service Address(es) and that the type and frequency of such billing will be in accordance with the Applicant's Utility billing practice and the Applicant's Utility usual billing cycle. The Applicant further acknowledges that, at some point during the Term of the Agreement, SFE may choose to bill the Applicant directly for all costs associated with the supply and delivery of Natural Gas and/or Electricity to the Service Address(es), provided that the Applicant will not have to pay any additional fees or costs as a result of SFE billing the Applicant directly above and beyond the fees and costs mentioned herein. In the event that SFE bills the Applicant directly, SFE's billing terms will be as follows: SFE shall invoice the Applicant monthly for all amounts due to SFE pursuant to the Agreement for the applicable billing period. The Applicant shall pay to SFE in full any amounts owing by the due date indicated on the invoice. If the Applicant fails to pay on time, the Applicant shall pay 1% interest per month (12% per annum) on the unpaid amount, from the due date of payment until payment is received. SFE or the Applicant's Utility is entitled to revise any bill if necessary to account for any reassessment by the Applicant's Utility. The Applicant's Utility will determine the amount of Natural Gas and/or Electricity that is delivered to the Service Address(es) and may do so by periodic meter reading, estimation, or allocation, and SFE will be entitled to charge based on this information. The Applicant shall be responsible for all costs that relate to any failure to pay, including charges for dishonored checks and any legal and collection costs. SFE shall be entitled to revise any bill after it is rendered, regardless of payment by the Applicant, to account for any reassessment made by SFE or by the Applicant's Utility resulting from an actual meter read or consumption adjustment. If the Applicant's Utility bills the Applicant directly and the Applicant fails to meet any payments for the Applicant's Natural Gas and/or Electricity service(s), the Applicant's service may be terminated in accordance with the Utility tariffs. If SFE chooses to bill the Applicant directly and the Applicant fails to pay or meet any payments for the Applicant's Natural Gas and/or Electricity, SFE may terminate this Agreement with at least fourteen (14) days' written notice. The Applicant may request from SFE, twice within a twelve (12) month period, up to twenty-four (24) months of the Applicant's payment history without charge.

4. Pricing. The Price that the Applicant will pay for Natural Gas and/or Electricity from SFE is as selected on the first page of the Agreement(s). In addition, SFE may pass through or allocate, as the case may be, any increase or decrease in our costs, or cost components related to the Natural Gas and/or Electricity and related products and services that result from implementation of a new, or changes to (including changes to calculations) any law, rule, regulation, ordinance, statute, judicial decision, administrative order, ISO business practice or protocol, Utility or ISO tariff, rule of any regulatory commission or agency with jurisdiction in the state where the accounts are located. The Price that SFE charges does not include applicable taxes and charges related to NGU/EDU distribution, delivery, service and other related Utility service.

Fixed Price for Natural Gas: If You selected a Fixed Price, the Price per therm includes applicable costs for transmission and delivery for Natural Gas delivered to Your NGU/EDU's city gate excluding applicable state and local tax. In addition to the Price for the SFE program selected, You will pay NGU/EDU charges.

Variable Price for Electricity: If You selected the Variable Price, the Price per kWh will be established prior to the month of flow and may vary each month based upon the costs incurred by SFE to provide the service through procurement in RTO-administered and/or other short term markets, as well as the cost for supply and associated products that SFE requires to meet the Applicant's Electricity supply. These associated products may include, but not limited to, energy, imbalance energy, losses, capacity, transmission, ancillary services, alternate and renewable energy requirements, other RTO charges, a margin and applicable taxes. The Variable Price will be set at SFE's discretion.

Variable Price for Natural Gas: If You selected the Variable Price, the Price per therm will be established prior to the month of flow and may vary each month based upon Natural Gas market pricing, transportation costs, storage costs, utility charges, balancing costs, loss factors, pooling charges, credit costs, a margin, other market price related factors and applicable taxes. The Variable Price will be set at SFE's discretion.

5. Title. All Natural Gas and/or Electricity sold under the Agreement(s) shall be delivered to a location considered the "Point of Delivery", which shall be at the LDC City Gate (located outside of the municipality of the Applicant's business) or EDU load bus, and shall constitute the point at which title transfers and the sale occurs. SFE will indemnify and hold the Applicant harmless from all taxes and royalties incurred before title passes with respect to the Natural Gas and/or Electricity provided in these Agreement(s).

6. Cancellation Provision. Regardless of the Price the Applicant selected, the Applicant is liable for all SFE charges until the Applicant returns to the Utility default

service or the Applicant switches to another supplier. The Applicant may be responsible for a switching fee. Upon cancellation of the Agreement(s), a final bill will be rendered within twenty (20) days after the final scheduled meter reading; however, if a final meter reading is unavailable, an estimate of consumption will be used in the final bill, which will be true-up subsequent to the final meter reading. Any cancellation will become effective on a date determined by the Applicant's Utility. If a new provider is not selected upon cancellation of the Agreement(s), the Applicant shall be returned to its Utility supply service. To cancel/rescind the Agreement(s), the Applicant should contact SFE by telephone or in writing at the contact information provided (see Section 14). If the Applicant plans to move to another location, the Applicant may transfer the Agreement(s) by notifying SFE (see Section 14), of the Applicant's new Service Address at least forty-five (45) days in advance of the anticipated relocation date. Upon receipt of such notice, SFE will use reasonable commercial efforts to continue the program contemplated by the Agreement(s) for the remaining Term of the Agreement(s) at the new Service Address. If the Applicant's utility provides SFE with a notification of a change of address within the Applicant's Utility supply service and when SFE receives such notice, it will use reasonable commercial efforts to continue the program contemplated by the Agreement(s) for the remaining Term of the Agreement(s) at the new Service Address. Otherwise, the Agreement(s) shall be automatically cancelled and, selected a Fixed Price, exit fees of \$0.18 therm and \$0.015 per kWh for the estimated usage of the Natural Gas and/or Electricity supply for the remainder of each Agreement shall apply. The Applicant also agrees to notify SFE in writing of any other change of information (including a change of account number, contact information or mailing address) at least sixty (60) days prior to such change taking effect or immediately if the change is to take effect in less than sixty (60) days. The Applicant agrees that SFE may terminate the Agreement(s) at any time by providing forty-five (45) days' written notice if SFE is unable or is prevented from complying with any of the obligations it owes to the Utility or if the Utility is unable or is prevented from complying with any of the obligations it owes to SFE. If SFE terminates the Fixed Price Agreement(s), unless for a reason out of the Applicant's control, early termination fees of \$0.18 therm and \$0.015 per kWh for the estimated usage of the Natural Gas and/or Electricity supply for the remainder of each Agreement shall apply.

7. Assignment. The Applicant may not assign its interests in, and/or delegate its obligations under the Agreement(s) without the express written consent of SFE. SFE may sell, transfer, pledge, or assign the accounts receivable, revenues, or proceeds hereof, in connection with any financing Agreement, purchase of accounts receivable program or billing services agreement, and may assign the Agreement(s) and the rights and obligations thereunder, to another energy supplier, energy services company or other entity as authorized by the ICC (if required), by providing the Applicant with at least forty-five (45) days' notice.

8. Information Release Authorization. The Applicant acknowledges and authorizes SFE to obtain and review information regarding the Applicant's credit history from credit reporting agencies and the following information from the Utility: consumption history; billing determinants; Utility account payment history; Utility account number; credit information; and public assistance status. This information will not be disclosed to a third party unless required by law. The Applicant's account number(s) shall not be released without the Applicant's affirmative written consent except where such release is required by court order or by ICC order or rule. The Applicant's execution of the Agreement(s) shall constitute authorization for the release of this information to SFE. The Applicant consents to provide SFE with a copy of its Utility bill(s) in order to process the Agreement(s) with the Utility. SFE does not guarantee to provide or return the bill or a copy of the bill to the Applicant. This authorization will remain in effect during the initial Term and any renewal term of the Agreement(s). The Applicant may rescind this authorization at any time by providing written notice to SFE or by calling SFE at 1-877-698-0608. SFE reserves the right to cancel the Agreement(s) in the event the Applicant rescinds the authorization.

9. Agreement(s) Expiration/Renewal Provisions/Change in Terms: Fixed Price Agreement(s): At the end of the initial Term of the Agreement(s), SFE will automatically renew this Agreement(s). If SFE does not receive notice, either written or verbal, from the Applicant at least forty-five (45) days prior to the end of the initial Term of the Agreement(s), the Agreement(s) will continue on a month to month basis at a monthly Variable Price per therm/kWh. Once the Applicant has provided SFE with their notice to not renew, SFE will return the Applicant to their NGU/EDU supply service at the next available service period.

Variable Price Agreement(s): selected a Variable Price and the Applicant wishes to terminate the Agreement(s) at any time, they can do so without penalty by providing SFE with written notice. Once the Applicant has provided SFE with their notice, SFE will return the Applicant to their NGU/EDU supply service at the next available service period.

10. Material Change. In the event that additional charges, fees, or other costs are incurred or applied by any regulatory body, ISO, Utility or other entity, as a result of a material change to the Applicant's consumption, capacity/transmission obligation, or other components required to serve the Applicant, and SFE incurs material incremental costs required to maintain the same quantity, location or level of services contemplated in this Agreement, SFE may charge the Applicant for the purchase/liquidation of energy or related services bought or sold as a result of said Material Change.

11. Warranty. The Agreement(s) for Natural Gas and/or Electricity, including applicable attachments, constitutes the entire Agreement(s) for the supply of Natural Gas and/or Electricity between the Applicant and SFE. SFE makes no representations or warranties other than those expressly set forth in the Agreement(s), and SFE expressly disclaims all other warranties, express or implied, including merchantability and fitness for a particular use.

12. Force Majeure. SFE will make commercially reasonable efforts to provide Natural Gas and/or Electricity hereunder but SFE does not guarantee a continuous supply of Natural Gas and/or Electricity to You. Certain causes and events out of the control of SFE ("Force Majeure Events") may result in interruptions in service. SFE will not be liable for any such interruptions caused by a Force Majeure Event, and SFE is not and shall not be liable for damages caused by Force Majeure Events. Force Majeure Events shall include but are not limited to acts of God, fire, flood, storm, terrorism, war, civil disturbance, acts of any governmental authority, accidents, strikes, labor disputes or problems, required maintenance work, inability to access the necessary distribution or transmission system, non-performance by the Utility (including, but not limited to, a facility outage on its Natural Gas and/or Electricity supply distribution lines), changes in laws, rules, or regulations of any governmental authority or any other cause beyond SFE's control.

13. Liability. The remedy in any claim or suit by the Applicant will be solely limited to direct actual damages. By entering into the Agreement(s), the Applicant waives any right to any other remedy in law or equity. In no event will either SFE or the Applicant be liable for consequential, incidental, indirect, special or punitive damages. These limitations apply without regard to the cause of any liability or damages. There are no third party beneficiaries to the Agreement(s).

Otherwise, until You provide such proof, SFE is not required to recognize any exemption or refund/credit previously paid taxes. Tax exemption will only occur on the next meter read bill after such notice is received and acknowledged. The Agreement(s) shall be construed under and shall be governed by the laws of Illinois without regard to the application of its conflicts of law principles.

17. **ARBITRATION.** THE PARTIES AGREE THAT, AT THE REQUEST OF EITHER PARTY, ANY DISPUTE, CLAIM, OR CONTROVERSY ARISING OUT OF OR RELATING TO THIS AGREEMENT(S), INCLUDING ITS EXISTENCE, PERFORMANCE, INTERPRETATION, BREACH, VALIDITY, OR TERMINATION, AND WHICH ARE NOT OTHERWISE RESOLVED BY THE PARTIES SHALL BE SUBJECT TO AND FINALLY RESOLVED BY INDIVIDUAL ARBITRATION ONLY, EXCEPT THAT ANY DISPUTE OR CLAIM THAT MAY BE BROUGHT IN SMALL CLAIMS COURT OR ANY CLAIM THAT CANNOT BE ARBITRATED UNDER APPLICABLE LAW SHALL NOT BE SUBJECT TO ARBITRATION. ANY SUCH ARBITRATION SHALL BE THE PARTIES' SOLE AND EXCLUSIVE REMEDY. BY AGREEING TO ARBITRATION, YOU UNDERSTAND THAT ANY SUCH DISPUTE WILL BE DECIDED BY A NEUTRAL THIRD PARTY OUTSIDE OF COURT AND THAT YOU AND SFE ARE WAIVING YOUR RIGHTS TO SUE IN A COURT OF LAW AND TO HAVE A JURY TRIAL REGARDING SUCH DISPUTE. YOU AGREE THAT SUCH ARBITRATION PROVIDES YOU WITH A MEANINGFUL AND AFFORDABLE WAY TO HANDLE DISPUTES RELATED TO THIS AGREEMENT. The arbitration will be administered in accordance with the Rules of Arbitration of the state where the Service Address is located. The arbitrator(s) shall not have authority to join or combine the claims of more than one person or to hear or decide any class, collective or representative action of any kind against You or SFE. The award of the arbitrator shall be final and binding and judgment on it may be entered in any court of competent jurisdiction. The arbitration shall take place in the county seat of the county in which You reside. You and SFE shall each pay their own filing and legal fees and other expenses, unless provided otherwise by law or this Agreement. The interpretation and enforcement of this arbitration provision shall be governed by the Federal Arbitration Act. The arbitrator(s) selected according to the terms set forth herein shall determine the arbitrability of any matter brought to them, and their decision shall be final and binding on the Parties in all respects. This provision shall survive termination of this Agreement.

18. **CLASS ACTION WAIVER AND OTHER RESTRICTIONS.** ARBITRATION SHALL PROCEED SOLELY ON AN INDIVIDUAL BASIS WITHOUT THE RIGHT FOR ANY CLAIMS TO BE ARBITRATED ON A CLASS ACTION BASIS OR ON BASES INVOLVING CLAIMS BROUGHT IN A PURPORTED REPRESENTATIVE CAPACITY ON BEHALF OF OTHERS. YOU AND SFE EXPRESSLY WAIVE THE RIGHT TO COMMENCE, BE A PARTY TO, JOIN IN OR BE AN ACTUAL OR PUTATIVE CLASS MEMBER OF ANY CLASS, COLLECTIVE, GROUP, JOINT, OR REPRESENTATIVE ACTION OF ANY KIND IN ANY FORUM, INCLUDING IN COURT AND ARBITRATION, ARISING FROM OR RELATED TO THIS AGREEMENT. The arbitrator's authority to resolve and make written awards is limited to Claims between You and SFE alone. Claims may not be joined or consolidated unless agreed to in writing by all Parties. No arbitration award or decision will have any preclusive effect as to issues or claims in any dispute with anyone who is not a named Party to the arbitration. Notwithstanding any other provision in these Terms and Conditions, and without waiving either Party's right of appeal, if any portion of this "Class Action Waiver and Other Restrictions" provision is deemed invalid or unenforceable, then the entire Arbitration Provision (other than this sentence) shall not apply. This provision shall survive termination of this Agreement.

19. **WAIVER OF JURY TRIAL.** SUBJECT TO ANY AGREEMENT TO ARBITRATE BETWEEN YOU AND SFE, YOU AND SFE WAIVE THE RIGHT TO A JURY TRIAL IN ANY CLAIM OR DISPUTE ARISING BETWEEN THE PARTIES ARISING FROM OR RELATED TO THIS AGREEMENT THAT PROCEEDS IN COURT, AND AGREE THAT THE CLAIM OR DISPUTE WILL BE HEARD AND DECIDED ONLY BY A JUDGE. This provision shall survive termination of this Agreement.

22. **Parties Bound.** The Agreement(s) is/are binding upon the parties hereto and their respective successors and legal assigns.
