

Website Design

Pre-designed Layout Website

\$1499

- ✓ Mobile responsive Wordpress design and implementation.
- ✓ Choose from one of our 3 custom built templates (we don't purchase these templates, we custom designed each of these) and we'll design the colors, theme, text and imagery to fit your brand.

Pre-designed Layout With Customization

\$65 Per Hour

- ✓ Client pays for the standard rate of a templated website if they want to customize the template beyond what is provided.
- ✓ Customization is at a per hour rate depending on client's requests. We will quote the rate in a proposal depending on design/programming needs.

Custom Designed Website

\$2,999-\$9,999+

- ✓ A full custom branding and design with custom designed layout, fonts, pictures, and graphics incorporated into a custom website theme.
- ✓ Depending on budget and complexity of the site, we will come up with one to three custom website designs proposals for you to choose from.
